IT IS RECOMMENDED THAT THE BOARD:

1. Approve the issuance of short-term Bond Anticipation Notes in an aggregate amount not-to-exceed \$67,500,000 to finance the acquisition of various equipment needs through the Los Angeles County Capital Asset Leasing Corporation; and

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

Approval of the recommended actions will allow the issuance of new short-term Bond Anticipation Notes (BANs) in 2012-13 to provide interim financing of equipment acquisitions for various County departments in accordance with federal tax regulations and enable the County to maximize reimbursement for costs related to the financing of this equipment.

BANS Authorization for Equipment Acquisition

The recommended actions will authorize the issuance of BANs in an aggregate amount not-to-exceed \$67,500,000 to provide interim financing for equipment acquisitions by various County departments. The summary of the \$67,500,000 in authorized equipment purchases using the Los Angeles County Capital Asset Leasing Corporation (LAC-CAL) Equipment Financing Program is attached to the Reimbursement Resolution recommended for approval as part of this action. The authorized LAC-CAL equipment purchase list included in this action reflects the \$59,360,000 for LAC-CAL equipment financing approved by the Board as part of the 2012-13 Recommended Budget, as well as the adjustment to increase medical equipment acquisition by \$8.1 million, which was approved as part of the 2012-13 Adopted Budget. The BANs will be issued by LAC-CAL and purchased as an investment by the County Treasury Pool in an amount sufficient to acquire and deliver the identified equipment. Subsequently, the BANs will be redeemed and the County Treasury Pool reimbursed through the issuance of intermediate-term lease-revenue bonds, notes, certificates of participation, or a lease with a third-party lessor.

Reimbursement Resolution

In addition to the approval of the BANs issuance for equipment acquisition, we are requesting that the Board execute the attached Reimbursement Resolution (included as Exhibit A), as approved by County Counsel, to comply with federal tax regulations governing the recovery of County capital costs from taxable and tax-exempt bond proceeds. Execution of the Reimbursement Resolution will enable the County to maximize reimbursement for costs related to the financing of equipment for various County departments.

Internal Revenue Service Requirements

In 1991, the Internal Revenue Service (IRS) introduced regulations governing the reimbursement of expenditures from bond or Certificates of Participation (COP) proceeds. In order to ensure the continued recovery of allowable expenditures, which

are related to equipment acquisitions, the regulations require the Board to adopt a Resolution, which states the following:

- The Board's intention to finance expenditures related to equipment acquisitions;
- A statement that any such expenditures would be financed through the issuance of tax-exempt or taxable bonds or COPs;
- A qualitative description of the proposed project whose expenditures would be reimbursed from the proceeds of such an issue; and
- Identification of the expected source(s) of funds, which would initially pay for such expenditures and ultimately be utilized to repay the bond or COP obligation.

The attached Reimbursement Resolution meets IRS regulations and will allow for maximum reimbursement of County expenditures for equipment from future bond sales. Prior and current year costs have been included to allow reimbursement from a future bond sale. A description of the proposed equipment is attached to the Reimbursement Resolution for your review.

FISCAL IMPACT/FINANCING

Approval of the recommended actions will enable the County to issue BANs to provide interim financing for equipment acquisition and maximize reimbursement of County expenditures for equipment from future bond sales. Funding for the repayment of BANs has been included in the Final 2012-13 Budget.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

The attached Reimbursement Resolution has been approved by County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

The recommended actions will ensure the continuation of the County's long-standing LAC-CAL Equipment Program.

CONCLUSION

Upon approval of the recommendations, please forward an adopted copy of this Board letter and an executed copy of the Reimbursement Resolution to the Chief Executive Office, Capital Projects Division.

Respectfully submitted,

WILLIAM T FUJIOKA
Chief Executive Officer

The equipment identified on this page reflects County equipment requirements to be financed through the Los Angeles County Capital Asset Leasing Corporation (LAC-CAL) in 2012-13. The County Board of Supervisors (Board) has not allocated, reserved or otherwise set aside any funds in the County's 2012-13 Adopted Budget to purchase the equipment identified above.

It is officially the intention of the Board that the acquisition of such equipment be initially funded through the issuance of Bond Anticipation Notes (BANs) or another short-term financing mechanism. The BANs will be issued by LAC-CAL and purchased as an investment by the County Treasury Pool in an amount sufficient to acquire and deliver the identified equipment. Any such costs, which are initially funded by BANs, will be properly capitalized under general federal income tax principles.

Further, the Board expects the outstanding BANs to be redeemed and the County Treasury Pool to be reimbursed, through the issuance of taxable or tax-exempt, intermediate-term lease revenue bonds, certificates of participation, or through a lease with a third-party lessor. The amounts specified above represent the maximum principal amounts of such intermediate-term obligations to be issued for the specified equipment.

These official intentions of the Board with respect to the LAC-CAL Equipment Program have been specified in accordance with U.S. Treasury Regulation 1.150-2.
